Dear Sir:

In response to the Official Action mailed on July 23, 2001, applicants present the following amendments and remarks. In addition, Applicants provide a Petition and Fee for a two-month extension of time thereby extending the period for response up to December 23, 2001.

IN THE CLAIMS

Please amend the claims to read as follows. A marked-up version of the claims showing deletions and insertions is provided in the appendix to this paper.

- Sub B/3
1. A method of regulating adenovirus packaging comprising the steps of:
 - a. obtaining an adenovirus vector containing an adenovirus packaging repressor binding site, said binding site being located between, within or surrounding an adenovirus packaging sequence; and
 - b. propagating said vector in the absence of said packaging repressor; and
 - c. repressing packaging of said vector in the presence of said packaging repressor.
